Callaway County Public Speaking Registration form and checklist

To be held on Tuesday, July 07, 2020 at 11:00 am. Location to be determined.

Please pre-register in Fair Entry by June 26, 2020.

Time requirements and information for the state competition can be found at:

4h.missouri.edu/state-public-speaking.

Categories are:

➤ Prepared Speech

This is the noble, "traditional" category from past Missouri State 4-H Public Speaking Contests. Speeches may be on any topic of the participant's choice that are in good taste for a group of peers and adults.

➤ Extemporaneous Speech

When you give an extemporaneous speech at a public speaking contest, it will differ from a traditional ("prepared") public speech in that you will not plan the speech until shortly before you deliver it.

➤ Interpretation:

(Note, for state competition, you will need two copies of the script, with references for any sources you have used.)

Interpretations are memorized performances that take place without music or other external sound effects. You can choose from three of the following sub-categories:

- **Dramatic** ([rules](#))
An oral interpretation of a serious selection of narrative or dramatic work. The source material may come from literature, a monologue, a theatrical production or poetry. This can be a great fit for youth in 4-H Theatre Arts clubs!
- **Humorous** ([rules](#))
A memorized oral interpretation of a humorous selection (or a humorous interpretation of an oral selection. Source material may come from plays, prose, literature, poetry, or other performance pieces.

➤ Technology Assisted Speaking

Technology assisted speeches are subject to the same rules and guidelines as prepared speeches but allow for the use of presentation software (such as PowerPoint). This is another 4-H experience with excellent workforce preparation benefits.

If you will be bringing a laptop or need to borrow a laptop please let the Callaway Extension Office know.

➤ Business Pitch

A business pitch quickly generates interest and energetically demonstrates knowledge and persuasion to motivate the listener to reach a decision or act immediately on the information presented. Business pitch speeches follow the same rules and guidelines as prepared and technology assisted speeches. They allow for the use of presentation software (such as PowerPoint) by the speaker.

- **If you will be bringing a laptop or need to borrow a laptop please let the Callaway Extension Office know. See Missouri 4-H site for times needed for speeches and score cards.**
